

Digital Assignment:

For this assignment, you are going to create a TikTok style video showing your audience how to draw a graph we learned in class. Your video should include the following points:

- What you are graphing (monopoly, perfect competition, etc.)
- Axes labels
- Correctly labeled lines
- Any shaded areas that correspond to economic principles we have learned

The following steps are guidelines to creating your video.

Setting Up a TikTok Account –

1. Download TikTok from Google Play or the App Store
2. Open the app
3. Tap Profile in the bottom right
4. Choose a method to sign up

Creating a Video directly on TikTok –

1. Open the App
2. Click the plus (+) button at the bottom center of your screen
3. Accept Camera and Microphone access
4. Select appropriate video length (15 or 60 seconds)
5. Begin recording your video
6. When done, use the hashtags #econtiktok #econ101emory
7. Post your video to TikTok

Uploading a Video to TikTok –

1. Open the App
2. Click the plus (+) button at the bottom center of your screen
3. Accept Camera and Microphone access
4. Click Upload
5. Accept Photos access
6. Select pre-recorded video
7. Edit your video as necessary
8. When done, use the hashtags #econtiktok #econ101emory
9. Post your video to TikTok

For inspiration, please refer to the video below.
